#### APIRG Mission Statement

APIRG is a student-run, student-funded, non-profit organization dedicated to research, education, advocacy, and action in the public interest. APIRG exists to provide students with resources to be active citizens.

The proposal must demonstrate

### 2. Does the proposal fall into one of the APIRG Funding Categories?

#### **Working Group:**

Working Groups are collectives of students and community members who work together on an issue. WGs are required to maintain a membership and hold regular meetings. WGs may focus on research, events, actions, publications, and other diverse activities. WGs tend to have long-term goals with activities and membership that continue beyond the current academic year. APIRG expects that a WG will require many of the services that APIRG provides, and will make an effort to use them. WGs must maintain a membership that includes U of A undergrad students. Reciprocation between APIRG and its Working Groups is essential. Working Groups are expected to have regular communication with APIRG staff and board members, and are required to submit quarterly and year-end reports. Specific requirements are outlined in the Working Group Agreement and Terms of Reference

This category provides one-time funding and support to help groups and individual students to:

- Organize an event or series of events with specific start and end dates
- Undertake a project with specific start and end dates (e.g. publish a research project)

**Conference and Training:**
